# Create a Champion Page!

Whether you're interested in education, civic engagement, or the arts, the **Give Miami Day Champion Page** feature allows you to share your passion with friends and family, all while raising additional dollars for a cause you care about.
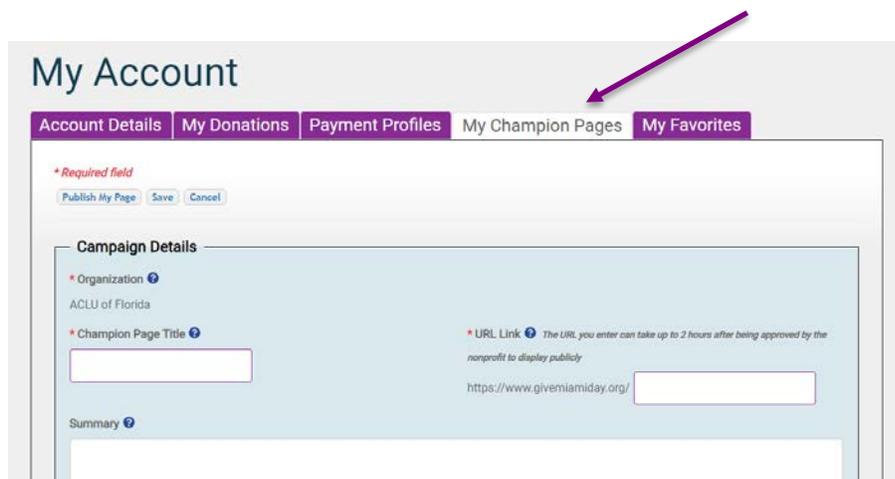

Champion Pages are easy to set up and customize. You can create a unique URL to share with your network, set fundraising goals, keep track of gifts made on the day, upload photos and videos, and add a personal story about what drives your passion. Follow the steps below to get started.

How to create a Champion Page:

1. Search for the nonprofit you wish to support by going to **GiveMiamiDay.org** and clicking the **Find a Nonprofit** tab. Go to the nonprofit's profile page and click on the **Fundraise** button, where you will be asked to create a donor account. This will only take a few minutes!

2. Once you've created your donor account, you will be sent to the homepage of your donor portal. Click the **My Champion Pages** tab to create a new **Champion Page** for the nonprofit selected.

Things to keep in mind while creating your Champion Page:

- **Champion Pages** must include a title and a unique URL link. The URL that you create will be the link that you can share with your network to direct them to your **Champion Page**.

- You can choose to add a summary of why you are supporting the nonprofit on **Give Miami Day**, and you have the option to upload a photo and a video. **Note:** whatever you include will be visible to the public.

- You can publish your **Champion Page** on the nonprofit profile immediately, or save it to return and publish later.

- The nonprofit always has the option to review and remove **Champion Pages** from their profile if they choose to.

Now for the best part…

Share your **Champion Page**! The unique URL link that you created for your page (e.g., GiveMiamiDay.org/LoveTheACLU) can be shared far and wide to help you encourage others to support the cause you care about on **Give Miami Day**.

By spreading the word and encouraging your friends and family to join the **Give Miami Day** movement, you are helping to build a more engaged community in support of all Miamians, and we thank you for that!
